Re: In the Matter of Administrative Order;
Docket No. CWA-08-2001-55

Dear Mr. Bishop:

On September 27, 2001, the U.S. Environmental Protection Agency (EPA) issued an Administrative Order (Docket Number CWA-08-2001-55) to Eagle Plumbing & Septic. This Order required Eagle Plumbing & Septic to comply with all provisions of 40 CFR part 503, the standards for use or disposal of sewage sludge.

Eagle Plumbing & Septic has complied with all provisions of the Order. Therefore, for administrative purposes, the file on the Order (Docket Number CWA-08-2001-55) is considered closed as of the date of this letter.

Please note that Eagle Plumbing & Septic is still required to comply with all requirements of 40 CFR part 503. EPA Region 8 no longer needs to receive copies of Eagle Plumbing & Septic's quarterly compliance reports.

If you have any questions, the most knowledgeable person on my staff regarding this letter is Patricia Ochoa, Environmental Engineer, who can be reached at (303) 312-6198.

Sincerely,

SIGNED
